BACKGROUND: Paul Koch has worked in state and local government for over 50 years. He has served as a Parks and Recreation Director, Deputy City Manager, City Manager and Port General Manager. He has taken on interim assignments for a variety of local government jurisdictions including Cities and Ports in Oregon and Washington.

SERVICES:

Interim job assignments-special assignments and projects

Trouble shooting-dealing with that “tough issue” nobody wants to touch

Policy and process development

Elected official assistance and guidance-being more effective in community service and the legislature

Staff coaching and mentoring

Economic Development-strengthening the local economy, creating jobs

Strategic Plan Development-setting priorities and goals-knowing where you are going

Intergovernmental cooperation and coordination

Budget development and clarity-creating a budget document all can understand

Organizational re-alignment and re-organization-moving to greater effectiveness

Improving citizen communication
