

AGENDA MEMO

Needs Legal Review: Yes
Council Meeting Date: March 4, 2020
Agenda Item: Consent Agenda – General Maintenance Agreement (Solar Powered Radar Speed Limit Sign Assemblies)

Action Required

Approval as part of consent agenda.

Explanation of Issue

Washington State Department of Transportation requires a General Maintenance Agreement related to the two solar-powered radar speed limit sign assemblies the city has installed on Jewett Blvd. (State Route 141).

Ken Woodrich, City Attorney has reviewed the agreement.

Staff Recommendation

Staff recommends the city council authorize signing the General Maintenance Agreement with Washington State Department of Transportation as part of the consent agenda.
