Motion

Motion to authorize Mayor to sign Change Order No. 2 for Jewett Water Main Improvements in the amount of \$25,262.50 with funding coming from the Street Fund.

Explanation of Issue

Construction on the Jewett Water Main Improvements project revealed that the city's existing stormwater system on Jewett from Riverwatch Drive to 1st Street needed to be restored. Cost was agreed to on a lump sum basis including all materials, labor, and equipment except for surface restoration which will be paid at the unit price included in the original contract. Because the construction work involves the stormwater system, the funding will come from the Street Fund.

Staff Recommendation

Staff recommends the city council authorize the Mayor to sign Change Order No. 2 for Jewett Water Main Improvements in the amount of \$25,262.50.
