Recreation and Conservation Office
Land and Water Conservation Fund (LWCF)
Application Resolution/Authorization

Organization Name: City of White Salmon

Resolution No. 2016-04-433

Project Name and Number (s) White Salmon New Pool Complex 16-2004 D

This form authorizes submitting application for grant funding assistance for Land and Water Conservation Fund (LWCF) project to the Recreation and Conservation Funding Board as provided in Title 54, U.S.C. Section 200305, 79A.25 RCW, WAC 286, and other applicable authorities.

WHEREAS, our organization has approved a comprehensive parks and recreation or habitat conservation plan that includes this project; and

WHEREAS, under provisions of the LWCF program, state grant assistance is requested to aid in financing the cost of facility development; and

WHEREAS, our organization considers it in the best public interest to complete the project described in the application.

NOW, THEREFORE, BE IS RESOLVED that:

1. The City Administrator, Patrick Munyan, Jr., is authorized to make formal application to the Recreation and Conservation Funding Board for grant assistance.
2. Our organization has reviewed the sample project agreement on the Recreation and Conservation Office's web site at: www.rco.wa.gov/documents/manuals&forms/SampleProjAgreement.pdf and authorizes Patrick Munyan, Jr., City Administrator, to enter into such a project agreement, if funding is awarded. We understand and acknowledge that the project agreement will contain the indemnification (applicable to any sponsor) and waiver of sovereign immunity (applicable to Tribes) and other terms and conditions that are contained in the sample project agreement. The sample project agreement may be revised periodically by the Recreation and Conservation Office. Our organization recognizes that such changes might occur prior to our authorized representative signing the actual project agreement, and we accept the responsibility and the presumption that our authorized representative shall have conferred with us as to any such changes before he/she executes the project agreement on behalf of our organization and so executes with our authorization.
3. Any grant assistance received will be used for only direct eligible and allowable costs that are reasonable and necessary to implement the project referenced above.
4. Our organization expects our matching share of project funding will be derived from community donations and a voter-approved bond and/or levy and that pursuant to WAC 286-13-040 we must certify the availability of match at least one month before funding approval. In addition, our organization understands it is responsible for supporting all non-cash commitments to this project should they not materialize.
5. We acknowledge that if the Recreation and Conservation Funding Board approves grant assistance for the project, the Recreation and Conservation Office will pay us on only a reimbursement basis. We understand reimbursement basis means that we will only request payment from the Recreation and Conservation Office after we incur eligible and allowable costs and pay them. The Recreation and Conservation Office may also determine an amount of retainage and hold that amount until the project is complete.
6. We acknowledge that any property not owned by our organization that is developed, renovated or restored with grant assistance must be dedicated for the purpose of the grant for at least twenty-five (25) years after

the project is complete unless otherwise provided and agreed to by our organization, the Recreation and Conservation Funding Board, and the National Park Service in the project agreement or an amendment thereto.

7. We have read both the federal guidelines and state policies for the LWCF program and agree to abide by those guidelines and policies, and as LWCF grants are federal funds, our organization must comply with all applicable federal laws.
8. This application authorization becomes part of a formal application to the Recreation and Conservation Funding Board for grant assistance.
9. We provided appropriate opportunity for public comment on this application.
10. We certify that this application authorization was properly and lawfully adopted following the requirements of our organization and applicable laws and policies and that the person signing as authorized representative is duly authorized to do so.

This application authorization was adopted by our organization during the meeting held:
