

CITY OF WHITE SALMON

REZONE APPLICATION

Please complete all portions of the attached application. If you have any questions, contact the Planning Department at (509) 493-1133. The application will be reviewed by City Staff, and then considered by the White Salmon Planning Commission, which will make a recommendation to the City Council. The Council's decision is final unless a Writ of Review is filed with Superior Court within ten (10) days.

The Planning Commission meets on the second and fourth Wednesday of each month. Applications must be complete and returned to the Planning Department. Once an application is complete, it will take approximately 4-5 weeks before the Rezone is to be reviewed before the Planning Commission. This allows for review before the agenda is set. After review by the Planning Commission the rezone will be scheduled before the City Council with a public hearing.
