SEPA DETERMINATION OF NONSIGNIFICANCE (DNS)

Environmental Checklist No: WS-SEPA-2023-002

Description of Proposal: The City of White Salmon filed a State Environmental Policy Act (SEPA) checklist (File WS-SEPA-2023-002) in conjunction with an application for updating the City SMP to remain in compliance with updated State and Federal regulations.

Proponent: City of White Salmon

Lead agency: City of White Salmon Planning Department
PO Box 2139
White Salmon, WA 98672

The City of White Salmon has determined that this proposal will not have a probable significant adverse impact on the environment. An environmental impact statement (EIS) is not required under RCW 43.21C.030(2)(c). After reviewing a completed environmental checklist and other information on file with the lead agency, this decision was made. This information is available to the public upon request.

This determination is based on the following findings and conclusions: The proposed changes related to updating the SMP do not propose construction or development, only updates to City code to remain in compliance with updated State and Federal regulations. There are no planned disturbances to sensitive areas such as wetland, waterbodies, sensitive ecological areas, or areas with known historical/archaeological features.
