

MEMO

TO: Mayor Marla Keethler
City of White Salmon, Washington
SUBJECT: Analysis of Washington State provisions for ADUs and comparison to WSMC proposal
DATE: November 3, 2023

As requested, I have conducted an analysis of the State’s ADU provisions, and compared them to our proposed code changes. Most of these are included in HB 1337, but there are additional provisions in SB 5045 (provides a property tax exemption for ADUs rented to low-income households) and HB 1293 (for “clear and objective standards” for design review).

Below is a summary of the State’s provisions, with a highlighted note on each whether we meet or exceed (yellow highlight) or do not meet (red highlight) those provisions in our current draft.

- Up to two ADUs per legal lot (we allow up to three)
- Can be freestanding or addition (we also allow)
- Can be remodeled space, i.e. garage (we also allow)
- Can be sold separately as a condominium unit (not specified)
- No restrictions on setbacks etc. that are more restrictive than the main unit (we also allow)
- City must allow the unit on the lot line of an alley (no setback required) unless the alley is snow-plowed (we allow three-foot setback)
- City cannot mandate street improvements (not specified)
- City cannot restrict size below 1,000 SF (we require no larger than the size of the main house)
- City cannot restrict height below 24 feet, unless that applies to the main house also (we also do not restrict)
- City cannot impose aesthetic standards that are stricter than the main house (see also HB 1293 on “clear and objective standards”) (we do not restrict)
- No onsite parking for units within ½ mile of a transit stop (we propose 50% reduction within ¼ mile)
- Parking requirements are reduced based on lot size (not specified)
- Impact fees may not be assessed more than 1/2 of the main house (not specified)
- HOAs may not impose CC&Rs restricting ADUs beyond what the law allows (not specified)
- Owner is not required to live on site (we do not restrict)
- Property tax exemptions for low-income renters (in SB 5045) (we do not provide)
- Other miscellaneous provisions that are not directly relevant.

A copy of HB 1337 is attached.

State of Washington **68th Legislature** **2023 Regular Session**

Read first time 01/16/23. Referred to Committee on Housing.

1 AN ACT Relating to expanding housing options by easing barriers
2 to the construction and use of accessory dwelling units; amending RCW
3 36.70A.696, 43.21C.495, and 36.70A.280; adding new sections to
4 chapter 36.70A RCW; adding a new section to chapter 64.34 RCW; adding
5 a new section to chapter 64.32 RCW; adding a new section to chapter
6 64.38 RCW; adding a new section to chapter 64.90 RCW; creating a new
7 section; and repealing RCW 35.63.210, 35A.63.230, 36.70A.400,
8 36.70.677, and 43.63A.215.

9 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

10 NEW SECTION. **Sec. 1.** (1) The legislature makes the following
11 findings:

12 (a) Washington state is experiencing a housing affordability
13 crisis. Many communities across the state are in need of more housing
14 for renters across the income spectrum.

15 (b) Many cities dedicate the majority of residentially zoned land
16 to single detached houses that are increasingly financially out of
17 reach for many households. Due to their smaller size, accessory
18 dwelling units can provide a more affordable housing option in those
19 single-family zones.

20 (c) Localities can start to correct for historic economic and
21 racial exclusion in single-family zones by opening up these

1 neighborhoods to more diverse housing types, including accessory
2 dwelling units, that provide lower cost homes. Increasing housing
3 options in expensive, high-opportunity neighborhoods will give more
4 families access to schools, parks, and other public amenities
5 otherwise accessible to only the wealthy.

6 (d) Accessory dwelling units are frequently rented below market
7 rate, providing additional affordable housing options for renters.

8 (e) Accessory dwelling units can also help to provide housing for
9 very low-income households. More than 10 percent of accessory
10 dwelling units in some areas are occupied by tenants who pay no rent
11 at all; among these tenants are grandparents, adult children, family
12 members with disabilities, friends going through life transitions,
13 and community members in need. Accessory dwelling units meet the
14 needs of these people who might otherwise require subsidized housing
15 space and resources.

16 (f) Accessory dwelling units can meet the needs of Washington's
17 growing senior population, making it possible for this population to
18 age in their communities by offering senior-friendly housing, which
19 prioritizes physical accessibility, in walkable communities near
20 amenities essential to successful aging in place, including transit
21 and grocery stores, without requiring costly renovations of existing
22 housing stock.

23 (g) Homeowners who add an accessory dwelling unit may benefit
24 from added income and an increased sense of security.

25 (h) Accessory dwelling units provide environmental benefits. On
26 average they are more energy efficient than single detached houses,
27 and they incentivize adaptive reuse of existing homes and materials.

28 (i) Siting accessory dwelling units near transit hubs, employment
29 centers, and public amenities can help to reduce greenhouse gas
30 emissions by increasing walkability, shortening household commutes,
31 and curtailing sprawl.

32 (2) The legislature intends to promote and encourage the creation
33 of accessory dwelling units as a means to address the need for
34 additional affordable housing options.

35 **Sec. 2.** RCW 36.70A.696 and 2021 c 306 s 2 are each amended to
36 read as follows:

3 NEW SECTION. **Sec. 3.** A new section is added to chapter 36.70A
4 RCW to read as follows:

5 (1) (a) Cities and counties planning under this chapter must adopt
6 or amend by ordinance, and incorporate into their development
7 regulations, zoning regulations, and other official controls the

9 effect six months after the jurisdiction's next periodic
10 comprehensive plan update required under RCW 36.70A.130.

11 (b) In any city or county that has not adopted or amended
12 ordinances, regulations, or other official controls as required under

16 (2) Ordinances, development regulations, and other official
17 controls adopted or amended pursuant to this section and section 4 of
18 this act must only apply in the portions of towns, cities, and

24 (4) Nothing in this section or section 4 of this act requires or
25 authorizes a city or county to authorize the construction of an
26 accessory dwelling unit in a location where development is restricted
27 under other laws, rules, or ordinances as a result of physical
28 proximity to on-site sewage system infrastructure, critical areas, or
29 other unsuitable physical characteristics of a property.

30 (5) Nothing in this section or in section 4 of this act prohibits
31 a city or county from:

32 (a) Restricting the use of accessory dwelling units for short-
33 term rentals;

34 (b) Applying public health, safety, building code, and
35 environmental permitting requirements to an accessory dwelling unit
36 that would be applicable to the principal unit, including regulations
37 to protect ground and surface waters from on-site wastewater;

39 construction of an accessory unit, except when the application of

1 such regulations would be contrary to this section or to section 4 of
2 this act;

3 (d) Prohibiting the construction of accessory dwelling units on
4 lots that are not connected to or served by public sewers; or

5 (e) Prohibiting or restricting the construction of accessory

10 NEW SECTION. **Sec. 4.** A new section is added to chapter 36.70A
11 RCW to read as follows:

12 (1) In addition to ordinances, development regulations, and other
13 official controls adopted or amended to comply with this section and
14 section 3 of this act, a city or county must comply with all of the
15 following policies:

16 (a) The city or county may not assess impact fees on the
17 construction of accessory dwelling units that are greater than 50
18 percent of the impact fees that would be imposed on the principal
19 unit;

20 (b) The city or county may not require the owner of a lot on
21 which there is an accessory dwelling unit to reside in or occupy the
22 accessory dwelling unit or another housing unit on the same lot;

23 (c) The city or county must allow at least two accessory dwelling
24 units on all lots that are located in all zoning districts within an
25 urban growth area that allow for single-family homes in the following
26 configurations:

27 (i) One attached accessory dwelling unit and one detached

2 accessory dwelling unit of less than 24 feet, unless the height
3 limitation that applies to the principal unit is less than 24 feet,
4 in which case a city or county may not impose roof height limitation
5 on accessory dwelling units that is less than the height limitation
6 that applies to the principal unit;

7 (h) A city or county may not impose setback requirements, yard
8 coverage limits, tree retention mandates, restrictions on entry door
9 locations, aesthetic requirements, or requirements for design review
10 for accessory dwelling units that are more restrictive than those for
11 principal units;

12 (i) A city or county must allow detached accessory dwelling units
13 to be sited at a lot line if the lot line abuts a public alley,
14 unless the city or county routinely plows snow on the public alley;

18 setbacks or lot coverage;

20 conveyance of a condominium unit independently of a principal unit
21 solely on the grounds that the condominium unit was originally built

24 as a condition of permitting accessory dwelling units.

25 (2)(a) A city or county subject to the requirements of this

28 development of accessory dwelling units within one-half mile walking
29 distance of a major transit stop;

39 (i) If a local government submits to the department an empirical
40 study prepared by a credentialed transportation or land use planning

1 expert that clearly demonstrates, and the department finds and
2 certifies, that the application of the parking limitations of (a) of
3 this subsection for accessory dwelling units will be significantly
4 less safe for vehicle drivers or passengers, pedestrians, or
5 bicyclists than if the jurisdiction's parking requirements were
6 applied to the same location for the same number of detached houses.
7 The department must develop guidance to assist cities and counties on
8 items to include in the study; or

9 (ii) To portions of cities within a one mile radius of a
10 commercial airport in Washington with at least 9,000,000 annual

13 may impose a limit of two accessory dwelling units, in addition to
14 the principal unit, on a residential lot of 2,000 square feet or
15 less.

16 (4) The provisions of this section do not apply to lots
17 designated with critical areas or their buffers as designated in RCW
18 36.70A.060, or to a watershed serving a reservoir for potable water
19 if that watershed is or was listed, as of the effective date of this
20 section, as impaired or threatened under section 303(d) of the

29 requirements of sections 3 and 4 of this act within an urban growth
30 area;

32 population projections adopted by the office of financial management

25 If adjusted by the board, a county growth management planning
26 population projection shall only be used for the planning purposes
27 set forth in this chapter and shall be known as the "board adjusted
28 population projection." None of these changes shall affect the
29 official state and county population forecasts prepared by the office
30 of financial management, which shall continue to be used for state

Passed by the House April 14, 2023.

Passed by the Senate April 6, 2023.

Approved by the Governor May 8, 2023, with the exception of certain items that were vetoed.

Filed in Office of Secretary of State May 10, 2023.

Note: Governor's explanation of partial veto is as follows:

"I am returning herewith, without my approval as to Section 5, Engrossed House Bill No. 1337 entitled:

"AN ACT Relating to expanding housing options by easing barriers to the construction and use of accessory dwelling units."

Section 5 of the bill gives local governments authority to waive or defer fees, defer payment of taxes, or waive other regulations for the development of accessory dwelling units (ADUs) if specified conditions are met. The specified conditions are that the ADU must be located within an urban growth area, and the ADU must be subject to a locally adopted covenant program ensuring that the ADU will be primarily utilized for long-term housing. Current law allows local governments to waive fees, taxes, and to establish various incentives for the construction of ADUs without requiring the creation of a local covenant program. The administrative costs necessary to administer a new covenant program for ADUs may cause some cities to discontinue current incentive programs.

For these reasons I have vetoed Section 5 of Engrossed House Bill No. 1337.

With the exception of Section 5, Engrossed House Bill No. 1337 is approved."
