

Christmas Tree Collection Event

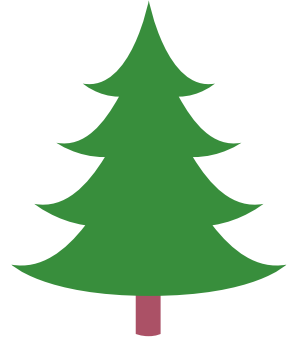

~ Columbia High School ~

Saturday, January 8th, 2022

10:00am - 2:00pm

*Columbia High School
1455 NW Bruin Country Rd,
White Salmon, WA 98672*

The Klickitat County Solid Waste Department, Republic Services, Dirt Hugger, Washington Department of Ecology, and Columbia High School are partnering up to host a Christmas tree collection event as part of our goal of reducing waste in Klickitat County. Trees, and other yard waste, are a great source for compost. Dirt Hugger is a composting facility located in our county in Dallesport, Washington. They will take these Christmas trees and utilize them with their other materials to create nutrient-rich compost.

The event is FREE for residents. Donations will be accepted at the event and go directly to the high school for the volunteer hours spent hosting the event. All donations go towards their school programs.

****Restrictions- No artificial trees, no tinsel, no ornaments, and no other yard waste will be accepted at this event. This collection event is specifically for Christmas trees.**

PICK-UP REQUESTS:

We are working on a way to offer pick-up service for residents who would like to participate but are unable to bring their tree to the site. Currently we do not have a way of offering this in the White Salmon area. Check back for updates.

Miss the event?

Dirt Hugger is offering free Christmas tree drop-off on Mondays, any other day the money received will be donated to the Dallesport Fire Department.
